产品/机械

Phoenicia is the only company in Israel which specializes in the production of a wide range of glass containers for the domestic and foreign beverage and food industry.

The plant has held ISO 9000:2008 Certification since 1995 and has agreement for OHSAS 18000 since 2008.

The plant currently employs approximately 220 local residents and is a major source of income for Yerucham and nearby towns including Dimona.

Phoenicia's furnace features 4 production lines for glass containers in a variety of models and colors, as well as 2 bottle sleeving lines, for producing bottle sleeves in accordance with customer specifications. The plant produces approximately 1 million bottles per day.

In addition, Phoenicia offers its customers:

Glass container design and planning services.

Bottle sleeving services through the use of 2 sleeving lines.

Individual customization and commitment to meeting the needs of the market and of customers.
