PFG, a division of the PG Group, is the only manufacturer of float and patterned glass in Southern Africa, as well as laminated glass, mirrors, and sealant products. PFG, a division of the PG Group, is the leading manufacturer of float and patterned glass in southern Africa, as well as laminated glass, mirrors, and sealant products. The company, situated near Johannesburg in South Africa, produces 260 000 tons of high quality float glass and 30 000 tons of high quality patterned glass products a year.

PFG manufactures Original Equipment (OE), and Automotive Replacement Glass (ARG) to the highest quality, as required by the automotive industry and to accepted international standards. PFG's automotive glass is available in clear and green tints, ASG I and ASG II. The glass is manufactured in stock sheets and various cut sizes, as agreed with our customers.

PFG offers a choice of standard thicknesses. Alternative thicknesses can be manufactured to customer requirements and specifications depending on volumes.

Our glass is supplied to OEM automotive glass processors both nationally and internationally. The automotive glass is packed and loaded to proven configurations, thereby securing ease of transport and off-loading from containers or trucks.
