Supplier of Machines for Screenprinting, Labeling

STRUTZ 6-SR-12 Industrial Container Decorator

The 6-SR-12 is a heavy duty decorator designed for 360 degrees screen printing on industrial size containers and pails up to six gallon capacity. It is manually loaded and unloaded and is capable of speeds of up to fifteen per minute.

6-SR-12 Specifications

- 10-15 container per minute decorating speeds
- 36 inch maximum screen stroke
- 12 inch maximum container diameter
- Electrical requirements: 115 VAC/60 Hz @ 15 Amps
- Pneumatic requirements: 80 PSI, 20 CFM

STRUTZ CS100 Body/Shoulder Glass Decorator

The CS-100 decorating machine decorate beverage bottles in one, two or three body and shoulder colors at speeds up to 100 bottles per minute. The patented Strutz bottle Carrier allows full adjustments in both diameter and height. The CS-100 features single registration for between-the-seams label location. Its automatic interlock insures color-to-color registration of labels eliminating any need to re-register.

CS-100 Standard Features

- Available in two or three color models
- Handles ware from 1-3/4" to 3-1/4" diameter and 3" to 13-1/2" height
- Heavy duty construction, designed for 24 hour operation
- Operates at speeds up to 100 bottles per minute with power infeed and outfeed
- Capable of decorating beverage and cosmetic bottles
- Fast job changeover, generally less than 45 minutes
- Automatic interlock insures color-to-color registration
- Captive chuck carriers designed with easily adjustable finish holders and snap-on/snap-off base cups
- Pre wired and plumbed for electrical and pneumatic hook-up
- Air squeegees permit dial-in pressure for consistent quality decoration
- Individual precision stroke setting accomplished quickly and easily
- Air operated bottle steady
- Single registration eliminates the need to re-register
- Standard 10 HP, 230/460 VAC drives can operate auxiliary equipment
- Capable of using organic and inorganic colors in heated screen units
- Electrical safety system with pin point indicating lights
- low maintenance costs

CS-100 Optional Features

- Storage conveyor and single liner
- Lehr pullbar stacker and pushbar stacker
- Heated color dispensing pots
