地址	Cristalerias de Chile S.A. HQ Hendaya 60, Oficina 201 Las Condes
国家	智利

产品/机械

Manufacturer of Container Glass, Bottles Cristalchile has played an important role in the success of the export market by developing different containers with more than 80 different formats in 4 colors: green, white, amber, and honey.

Beer Sector - In this sector the glass containers designed by the Company in conjunction with the leading producers in the Chilean market have historically been two-way bottles.

Cristalchile is an important supplier of glass containers to some of the leading producers of packaged food in Chile for domestic consumption and/or export. Glass containers produced for the pharmaceutical sector in Chile are used mainly for cough medicine, vitamins, antiallergenics, and antibiotics, most of which are in syrup form.

Cristalchile currently supplies containers for these products to the leading laboratories in the country. .
