产品和背景

In Poland Swiat Szkla (The World of Glass), our monthly magazine for the glasswindows business has been published since 1996. Its circulation, 4,000, is distributed via subscription. Besides glass, production, processing, market of windows, doors and accessories, buildings' facades, winter gardens, we also write about chemicals, machinery and tools for glass processing and other equipment used in the industry. We provide information on architecture services, fairs and seminars related to the industry and organise events which popularise modern products and initiative connected with the market of glass and windows.

Company Profile of Swiat Szkla
