产品/机械

VELUX creates better living environments with daylight and fresh air through the roof. Our product programme contains a wide range of roof windows and skylights, along with solutions for flat roofs.

In addition, VELUX offers many types of decoration and sun screening, roller shutters, installation products, products for remote control and thermal solar panels for installation in roofs. VELUX Technology also supplies original VELUX components to our partners working in the field of roof window sunscreening.

Company Profile of **Velux Deutschland GmbH**
