产品/机械

Coating Systems for float glass, ideal for anti-stain and other protective coatings. Sono•Tek's experience and understanding of the unique demands of continuous float glass production has contributed to making the Widetrack spray system superior for the needs of the industry. It's proven reliability and low maintenance design make it excellent for 24/7 glass manufacturing processes.

Company Profile of Sono Tek Corporation

A service of glasssglobal.com, an affiliate of glasssglobal group.
