产品和背景

Emirates Float Glass (EFG) LLC is a Green Field Venture promoted by Dubai Investments (DI) PJSC, it is located in a scenic coastal desert area in Abu Dhabi, UAE. The vision which was established by DI management under the excellent leadership of Mr. Khalid J Kalban, Managing Director & CEO of Dubai Investments, has transformed towards a world class Glass Manufacturing & Processing facility.

This facility, located on a 320,000 square meter plot at the Abu Dhabi Industrial City, is constructed at a cost of AED 692 million and will have a capacity to produce about 200,000 tons of glass products per annum under phase I. The company supplies regional and international glass processors with premium quality glass products used majorly in the architectural and automotive industry segments. The products are exported to more than 60 countries spanning South America, Europe, Australia, Far East Asia & Africa in addition to GCC countries.
