Our readers – Your customers

Our magazines reaches a controlled and qualified readership of company leaders of foreign invested, joint venture, privately owned, and the larger and more profitable state run companies – each reader is qualified in writing by name, job title and industry – they're senior management decision makers who plan the purchase of machinery, materials and execute manufacturing strategies, and design, production and engineering management who test, evaluate and make recommendations.

+ Trade show exposure: extend your visibility to 11 industry exhibitions each year around the world; our magazines offer extensive bonus distribution to qualified trade show visitors, and your ads are posted in our booths. Visitors are invited to complete inquiry forms and magazine free copy form that are processed after the show. These new sales leads are sent to you – 2 sales channels for the price of 1.
