产品/机械

GroGlass is a producer of anti-reflective coatings on glass that are designed specifically for the Architectural, Photovoltaic, Horticultural, Art Framing, and Technical markets. Expertise in large-area thin-film coatings— combined with 45 years of experience from the Soviet Aerospace sector — makes GroGlass the most versatile and high-quality anti-reflective glass coatings.

GroGlass is fully owned by US-based private equity fund, NCH.

For more information, please visit GroGlass website.
