## 产品/机械

Float glass operations

Six float glass lines: Rossford, Ohio (2); Laurinburg, North Carolina (2); Ottawa, Illinois (1); Lathrop, California (1)

The aftermarket operations in North America supply laminated and toughened glass for the automotive glass replacement market. The ratio of laminated to toughened glass is approximately 3:1. Products are shipped from its 400,000-sq. ft. distribution center in Columbus, Ohio to external retailers and wholesale customers. In addition, the business has some 100 company-owned wholesale service centers.
