## 产品/机械

Scheuten Solar is a globally operating, innovative and leading solar company that develops, produces, designs and sells PV solar modules and total PV solar solutions. The PV production facility for Multisol® is located in Gelsenkirchen (Germany) and has the most modern module production lines in Europe. The production facility for Optisol® is located in Venlo. In addition Scheuten Solar is a PV system integrator, active in design, development and realization of turn key PV systems with both standard as well as glass-glass modules. Scheuten Solar has a wide experience in the realization of large eye catching PV projects as well as domestic PV solutions.

### Company Profile of **Scheuten Glas**
