Universal Waste

URT provides nationwide collection and recycling for all types of universal waste including lamps, batteries, mercury-containing devices, lighting ballasts and more. Our dedicated customer service professionals can help you develop and maintain a convenient, reliable program that simplifies your recycling efforts now and into the future.

E-Waste

URT offers a variety of e-waste services, including glass-to-glass recycling, end-of-life destruction, asset recovery services, and retailer electronic recalls and returns. With locations across the nation and a history of ethical, sustainable practices, URT can meet your every recycling need.

WasteSecure

Through URT's WasteSecure program, pre-paid pack-and-ship boxes are available to simplify the process of packaging and sending used items to URT for recycling. Tailored programs, such as regularly scheduled nationwide pick-ups and custom branded recycling boxes, are also available.

Asset Recovery Services

URT provides its customers with expert asset management and recovery services, turning obsolete electronics into revenue while assuring confidentiality and data security.

Lamp Recycling Equipment

URT is the world's leading supplier of lamp recycling systems. These high quality, durable machines ensure maximum throughput efficiency and safety.
