产品和背景

Wrightstyle design, test, supply and install a complete range of high quality, high specification, specialist steel and glass systems.

Our systems are designed as a cost effective solution for special applications, and are backed up by an extensive testing and development programme.

For all projects our aim is to assist the contractor and architect through our extensive technical support.

We offer a range of options in the supply of our unique steel glazing systems:

Fabricated and powder coated curtain walling, doors, screens, windows and roof glazing, with or without fire resistant glass.
Site installation service.

Wrightstyle Steel Glazing systems – delivering the best products and services:

Tested, certified, proven – fire rated, blast and ballistic applications – and more
Comprehensive design and technical support
State of the art fabrication facility, using the latest CNC technology
High quality finishing
In-depth knowledge – our own systems from design to installation
Global test data
Best practice systems i.e. our curtainwalling - the easiest to install – saving on-site time

Our Vision:

To continually design, develop and supply innovative glazing solutions.

Our Core Values:

Can-do philosophy
Honesty and integrity
Professional (everything backed up by test evidence)
Flexibility
