Optics

Sinoptix provides a one-stop solution for your optical requirements in China. Our broad range of audited suppliers within the optical field allows us to provide quick and efficient solutions for standard and custom optics requests. Sinoptix selects and audits the best suppliers in their given field, providing you with a reliable and verified choice of components, materials, and coatings, all delivered to your worldwide facilities.

TYPE OF OPTICS

- Lenses
- Doublets
- Prisms
- Windows
- Mirrors
- Filters
- Led Collimators
- IR Optics
- Laser Optics

MATERIAL

- Borosilicate glass (N-BK7 / H-K9L / N-Bak1)
- Silicium (Si)
- Germanium (Ge)
- Zinc selenide
- Zinc sulfide (ZnS)

- Quartz (SiO₂)
- MANGANESE FLUORIDE (MgF₂)
- Silice (SiO₂)
- Sapphire glass

COATINGS

- Antireflection coatings
- High reflective coatings
- Partial Reflection coatings
- Protective optical coatings
- Aluminum coatings
- Metallic coatings
- Gold coatings
- Bandpass coatings
- Carbon coatings

产品和背景

Founded in 2000, Sinoptix is specialized in providing optics and glass components made out of the best facilities in China, ensuring quality compliance before worldwide shipment.

Sinoptix has been actively operating in China, successfully ensuring that many companies worldwide benefits from the best of Chinese manufacturing. Technicians, engineers, and our support ensure project completion in respect to your delays, costs, and requirements.

OPTICS

Following your specifications, Sinoptix organizes the manufacturing, quality control, and worldwide delivery of your optical components. For complex lenses or optical assemblies, from plastic injection PMMA collimators to germanium windows or complex prisms, we are the supplier you need to ensure high quality of your products while guaranteeing low pricing.

GLASS

Following your request, Sinoptix organizes the manufacturing, quality control, and worldwide delivery of your glass components, from simple glass tubes to complex glass-blown shapes, ornamental items, and unique custom designs from a broad range of materials. Sinoptix is the partner you need to ensure high-quality glass standards while guaranteeing low pricing.

Company Profile of **SINOPTIX | Optics & Glass Partner**

A service of glasssglobal.com, an affiliate of glasssglobal group.
