产品/机械

Cincinnati Gasket & Industrial Glass develops a wide array of machined glass products to meet the industrial glass needs of virtually every major U.S. industry. Steel mills, chemical plants, machine tool shops, and power generation plants are just a few examples of industries that have increased efficiency and reduced downtime with our creative industrial glass solutions.

Through our specialty glass division, we provide our clients a broad range of industrial glass sizes. Our complete list of services includes surface and O.D. grinding, O.D. polishing, drilling, sawing, surface polishing, CNC machining, waterjet cutting, coating, and sandblasting. Specialty industrial glass features include UV blocking and infrared reflecting heat shield.

We offer a wide selection of industrial glass products:

- Borosilicate Glass
- Fused Quartz
- Fabricated Glass
- Ceramic Glass
- Pattern Glass
- Laminated Glass
- Specialty Glass
- Case Glass
