## 产品/机械

Eurowindow (European Plastics Window Company Ltd) was established on 29th August 2002. The company's range of products consists of:

- Windows, doors, balconies, high-quality uPVC partitions
- Aluminum doors and curtain walls of European quality
- Room-through doors in boarded wood, solid timber and MDF
- Doors which combined by aluminum and wood
- Glass products: safety glass, tempered glass, glass boxes, patterned glass
- In addition to the above-mentioned products, Eurowindow also provides a wide range of products such as: automatic doors, rolling doors, artistic steel products.

Eurowindow's target is to be the leading and biggest provider of door products in Vietnam. Eurowindow also puts more effort in improving products and services quality and protecting the environment. High quality products, highly-skilled human resource, professional customer services are the key factors bringing Eurowindow brand to success.
