产品/机械

Glasslock is Samkwang Glass Co., Ltd.'s first consumer brand and signature brand. Founded in 2005 Glasslock supplies airtight containers completed with natural soda ash glass with Samkwang glass' TEMPERMAX(heat-resistant tempered glass) technology. The new idea to combine glass with airtight containers, coupled with the trends for health and environmental friendliness, has supported the growth of Glasslock that offers the benefits of both heat-resistant tempered glass and airtight containers. Now, Glasslock is Korea's No. 1 and the world's No. 2 brand that sells 7,200 pieces every hour in 92 different countries around the world in every continent

Glass Bottle

Produce flint bottle, amber bottle, emerald green bottle For beverage, liquor, medicine, food, cosmetics, and so on

About Products

Products use natural materials (silica sand, stone fossils, soda-lime, cullet, etc.), so they are eco-friendly and recyclable. As they have excellent shielding property against lights and UV, they are the most ideal containers on earth in protecting their contents.
