Manufacturer of Tableware, Lead Crystal Glass, Pressed Glass, Giftware, Handmade Glass, Spinning Glass.

Inexhaustible imagination, sense of material, functionality and excellent processing, these are the main attributes, which have attended Bohemian glass from its very beginnings. The classic 24 % lead crystal is a fascinating material in its very essence. Thanks to its mechanical and physical properties it is durable, yet soft enough to enable decorators to adorn it with cut patterns, a technique that shows off its unique look in the best way.

A rainbow of products reflects the heritage of Bohemian glassmaking. In our assortment, you will find both traditional rich patterns and modern simple decorations.
