## 产品和背景

ALL GLASS S.r.l.

ALL GLASS S.r.l. is a well-known reliable supplier in the glass industry.

We are able to design and supply turnkey cold-end lines from lehrs to palletizers, including cullet conveyors, accumulating tables, bottle inverters, elevators and lowerators.

Our range of products can also provide customers with the following, according to their requests:

special devices such as vibrating tables, dividers, sorters, spacers, orientators, motorized edges, etc.;

manual and automatic depalletizers;

pallet transport lines fully equipped with all necessary accessories such as deviators, rotating and modular built chain and roller conveyors, shuttle cars;

semi-automatic and automatic shrink packaging machines for pharmaceutical and food glass containers; mould pre-heating furnaces.

With the aim of increasing the flexibility of its pal-depal systems, ALL GLASS started installing KUKA robots approximately two years ago, and thanks to their simple use and reduced maintenance, the number of such installations is growing monthly.

Moreover, the technical management, with its wide and varied experience in the glass industry, is in a position to follow its customers step by step, providing reliable after-sale service and assistance.
