Publishing House, Magazine for Glaziers "Windows and Frames", books

产品和背景

Glas+Rahmen is a technical journal for glass-, window- and facade constructions. It is addressed to entrepreneurs and executives of the glass processing industry, published once a month. Glas+Rahmen keeps close contact to businesses, industry and trade and acts as an informative link for the glass industry and in the window and facade market.

(Information about fairs/exhibitions and events please see from our German media data, mentioned in the right column of the German topic preview).
