### KRYSTAL KOLOURS™

Krystal Kolours at Torstenson Glass is a enameled glass that brings interior decorative glass applications to vivid, colorful life. It is designed for such diverse applications as wall cladding, wardrobe doors, furniture, shelving, and more.

### Technical Glass

Torstenson Glass Company is proud to present the FireLite line from Technical Glass Products. For decades, wired glass has been the most common fire-rated glass product specified in schools in North America. It's no wonder – it provides economical and reliable fire protection.

### Joel Berman Glass Editions

Torstenson Glass Company stocks Joel Berman Glass Editions. This design driven, readily available, economical line of textured glass. Suitable for a wide variety of interior and exterior building applications.

### Obscure/Pattern Glass

TGC offers a wide variety of patterned, obscure and textured glass products, many of these are also available laminated or tempered.
