All of our products are grouped into two broad product lines: VIDRECO and LA MEDITERRANEA. The first of them, VIDRECO, brings together different collections of articles made from 100% recycled glass. They feature extremely original, functional designs for use as household knickknacks and decoration. LA MEDITERRANEA is the line that creates an extensive range of top-quality decorative ceramic collections and artisanal pieces with cutting-edge designs made from recycled coloured glass. In certain occasions, La Mediterránea relies on top-class COLLABORATORS.
