## 产品/机械

Our members - European glass producers The federation's member companies manufacture glass bottles, jars and/or tableware items such as drinking glasses in the European Union, Switzerland and Turkey. They account for the great majority of glass packaging containers produced within this region.

## 产品和背景

FEVE is the association of European manufacturers of glass packaging containers and machine-made glass tableware Glass - the quality packaging material As primary packaging, glass containers assure the preservation, safe delivery and attractive presentation of a vast array of consumer products, supplied to European and world markets. Whether used for drinks, food, cosmetics, perfumes or pharmaceuticals, glass plays a vital role in supporting European trade and commerce.
