## 产品/机械

Encirc Glass manufactures containers for some of the world's most recognised brands.

On-going investment in our production facilities and operations in Ireland and the UK allows us to produce consistently high-quality products for our customers. The flexibility of our 21 production lines enables us to do this quickly, competitively and efficiently - resulting in a world-class service.

As well as manufacturing glass containers, Encirc is the only company to offer a fully comprehensive range of services throughout the supply chain.
