Colour Glass Ltd are Ireland's first contemporary glass wall covering suppliers. Colour Glass is something which has been lacking in the glass industry in Ireland. Not any more will you have to be turned away from glaziers who do not want the hassle of supplying a unique service and solution.

We have been installing glass splashbacks, glass furniture and glass sprandels to the Irish market since 2004. Some of our clients include Waterford Stanley, Habitat, Brown Thomas and the Dundrum Town Centre.
