SERVICES

We help integrate A.W.T. equipment with your existing processes – such as glass edging, cleaning systems, and even additional printers in the case of multicolor lines. Integration will allow you to maximize the advantages of choosing A.W.T., for example, by linking your other equipment to the Remote Diagnostics system. In addition, A.W.T. can supply you with a host of products and services essential to any glass screen printing operation: replacement parts for all domestic and foreign screen printing equipment; instruction in glass screen printing techniques; machine installation and setup; screen prep room setup.
