Consultant for glass production lines, technology research

Krause Technology GmbH, headed by Mr. Jens Krause, is one of the unique vertical know-how provider for microsurfacing interested companies worldwide. Since 1999 our main focus is providing assistance for companies to understand and apply microsurfacing in a qualified way but adapted to national parameters.

Our experience and reference comes from successful support in many European countries, as well as India, Mid.East, East-Europe and some African countries.

Company Profile of **Krause Technology GmbH**
