## 产品/机械

Leone Industries is a leading producer of clear (flint, soda lime) glass containers. We produce a wide variety of bottles and jars with capacities from 2 fluid ounces up to 70 fluid ounces and closures from 20mm to 89mm. We have a large selection of containers and regularly design and manufacture proprietary containers to meet our customers requirements

The company is focused on the thousands of SKUs of food and liquor containers : two ounces up to two liters, flat, round or square, produced in large volume or moderate quantities.

Packaging of containers for sale, depending on the item, in cases of three dozen, two dozen, one dozen, half dozen, one dozen trays or in bulk. Designs can be found in most food production facilities, specialty food stores, grocery stores or in homes throughout North America and elsewhere.

Built in 1966, Ardagh Group's Bridgeton facility manufactures an unparalleled assortment of glass containers for the food, beverage and spirits markets. Known for its consummate flexibility and swift response, Bridgeton is unique to the North American glass packaging industry. The facility specializes in short-runs of distinctive products, and has the ability to offer its customers a wide variety of packaging formats including 6 packs, 12 packs, 24 packs, tray packs and bulk. The facility also has flexible shipping capabilities for smaller quantities and a vast geographic reach.
