产品/机械

She is co-operating with several experts in the field of international consulting, market research and sourcing and actively takes part in various professional and alumni networks.

Furthermore she is working as a writer, specialising in international topics (like co-operation between international companies).

LILO THIELEN specialises in:

- market analyses (very much sales orientated, with practical focus)
- Research of agents/sales intermediates /distributors /co-operation partners
- Research of Clients
- Research of Suppliers
- Support/consulting in export strategies/export marketing and sourcing activities (sourcing marketing)
- building-up new business
- B2B

Since the time LILO THIELEN started working independently, projects in the following industries (among others) have been carried out: Environmental, Food (functional food), Laser, Mechanical engineering, Medtech and Photovoltaic.
