产品/机械

With the aid of ultra-modern technology and carefully selected adhesives, we bond together a whole range of different materials and surfaces.

Our work frequently results in the development of entirely new products – i.e. the ideal solution for your particular application.

We work successfully for various companies in the fields of injection moulding, glassmaking, automotive, electrical and electronics manufacturing as well as telecommunications and solar technology.

Company Profile of **K.M.B. Klebetechnik GmbH**
