## 产品/机械

We specialise in the measuring, templating , and supply and fit of Coloured Glass Splashbacks. Mouk Colored Glass Splashbacks are colour processed with a special two part paint which is designed to adhere to the glass.

We Supply the Splashbacks in either traditional Float glass which has a slight green tint, which can be useful when producing White Splashbacks. But we predominately use Low Iron Glass, which is a more optically clear glass. This enables the Clarity of colour sometimes required.

The potential use for back painted glass wall splashbacks, claddings and coverings is endless.

In the home coloured glass panels are ideally suited for use as splashbacks in kitchens, bathrooms and shower rooms.

We can process a varied offering of products, which include:

- Glass splashbacks
- Glass Wall Covering
- Glass Wall Cladding
- Glass Flooring
- Glass Tabletops
- Glass Worktops
- Shelves Back Drops
- Glass Counter tops
- Glass Feature walls
- Textured Glass
- ... much more add
