产品和背景

ULG-GmbH offers worldwide service for glass. Our focus lies in service and maintenance, especially the work on electrode holders, bubblers, thermocouples and measurements of all kinds, video inspection, complete advice on all types of furnaces. We build and sell parts, such as electrode holders, bubblers, cabinets and other accessories and spare parts.

We can execute all types of repairs of these parts on running furnace. With employees in Germany and Asia, we are able to complete short-term orders.

The founder and owner, Mr. Udo Laiacker, has been active in glass industry since 1986
