地址	European Photovoltaic Industry Association (EPIA) Rue d'Arlon 69-71 1040 Brussels
国家	比利时

产品/机械

With more than 200 member companies drawn from across the entire solar electricity sector, the European Photovoltaic Industry Association (EPIA) is the world's largest solar photovoltaic industry association and represents about 95% of the European photovoltaic industry and 80% of the worldwide photovoltaic industry. EPIA members are present throughout the whole value-chain: from silicon, cells and module production to systems development. EPIA represents the interests of its member companies at the national, international and global level. Its mission is to deliver a distinct and valuable service driven from the strength of a single photovoltaic voice.

Company Profile of **European Photovoltaic Industry Association (EPIA)**

A service of glasssglobal.com, an affiliate of glasssglobal group.
