产品/机械

Taiwan Glass began investing in the plant in November 2003, and production started on October 1, 2004. Since that time, DHG has been growing in importance as a major glass supplier in the Jiangsu area. After its production line began operation, the plant quickly became the finest float glass producer in northern Jiangsu. DHG's main product consists of 3-20mm transparent float glass, which has a maximum sheet size of 2400 x 3660mm. The plant's transparent float glass is used for architectural purposes, and is very popular among customers in northern Jiangsu.
