产品/机械

Each glass is hand blown from a fabricator for the production of high-quality crystal glassware and domestic articles, having high optical transmission, refractive index, density, hydrolytic resistance, and good solarization resistance. Yet each glass is a perfect combination of Bohemian glass-making fabrication and European originality. Due to the fact that each article is singular, slight variations may occur.

Company Profile of Studiokav

A service of glassglobal.com, an affiliate of glassglobal group.
