产品/机械

At Kohler, we produce quality glass bottles and jars for the food and beverage industry. Our annual output of 250 million pieces covers products such as glass spirits bottles, wine bottles, beverage bottles, oil bottles, perfume bottles, pharmacy bottles, glass jars and special glass bottles. Besides the normal glass bottles, with the advanced engineers and experienced technicians, Kohler is also capable to proceed special glass bottles. Our glass containers are made in four main colors: flint, half-flint, green and amber.

We strictly comply with ISO standards and further ensure the quality of our products by monitoring production in every procedure, from the designing of molds, purchase of raw materials, production procedure, technology, to the final inspection of goods, loading and shipping. We feature a one hundred percent inspection system with automatic rejection of items that are not in conformance. This allows us to stabilize the quality of our products. We can produce more than 2000 types of glass bottles in a variety of capacities, styles and colors.

In addition, Kohler has a professional team of research and product development personnel, made up of senior engineers and technicians from the glass industry, who can customize glass bottles and jars in accordance with customer's requirements and offer professional glass bottle packaging solutions.

Deep Process

For customers requirement, We also offer deep processing to the bottles. The deep processing mainly include below:

- Decal Decoration
- Sandblasting
- Silk screen decoration
- Hot printing
- Glazed, Transparent paint

产品和背景

Kohler Glass Bottle CO.,Ltd is a China-based leading glass bottle manufacturer for over 30 years, and a council member of the China National Association for Glass Industry. We specialized in the production of SGS certified glass bottles and jars based on our innovative processes and a respect for the environment. Our products are popular in many countries, such as America, Russia, Germany, Australia, etc.

With a multi-year history of manufacturing glass containers, Kohler is always focusing on long term cooperation with customers. By improving manufacturing capability and efficiency, kohler is committed to produce quality glass containers with lowest cost. As a result, kohler's glass bottles are well known in the food and beverage industry globally.
