## 产品/机械

### Glass Mineral Wool

We are a leading Abu Dhabi based group, with operations spread across UAE and the wider MENA region, holding diversified interests in the manufacturing sector and acting as a catalyst attracting investments into the economies in which we operate.

As the industrial arm of National Holding, Exeed Industries is a diversified and specialized manufacturing industrial company, consisting of fifteen entities spanning building materials and fibers, agriculture business and international investments .Exeed Industries gives priority to all key growth sectors identified as essential for economic vitality by forging partnerships with international players, particularly in the value-added manufacturing sector, based on our ability to:

- Offer long-term investment opportunities focused on fundamental principles that create profitability and value, and ensure the sustained growth of the economy. ·
- Align partnership with investment entities into manufacturing to introduce new products to serve the economies of the UAE and the MENA region
