At VETROCARE srl **we are glass restoration and repair specialists, we fix any glass surfaces.**

Our experience, innovative technologies and ongoing investments in research and development enable us **to offer professional solutions and operational models** that are guaranteed to address all glass issues.

In order to better serve our customers, we operate directly or with partners nationwide as well as internationally.

We take on **any type of work of any scale, ranging from small-medium projects to treating large surfaces**. We carry out work at building sites, ship yards, hotels and shops. We provide professional solutions where glass repair makes more financial sense than glass replacement.

Our Italian head-quarters are located in Cassolnovo (Province of Pavia), 35 kilometres South of Milan.

We offer the following services:

- we repair damaged glass surfaces
- we restore (damaged) glass
- we restore damaged shop windows
- we remove incisions and scratches
- we remove graffiti and other damage through vandalism
- we remove acid corrosion
- we remove signs of weather corrosion
- we remove weld spots, damage caused by flex machines, grinders, refacing machines
- we remove grouting
