产品/机械

Alubond's array of colors and finishes combined with the inherent capability of forming different shapes and contours with durability and weather resistance makes Alubond an Architect's Dream. Major Corporations and Multi National Companies have a definitive desire to make their structures an expression of Personal Designer Statement. Alubond U.S.A becomes a natural choice to achieve this objective. The possible applications are limited to the architect's imagination. The versatility of Alubond U.S.A Metal composite panels allow the product to have conventional as well as Exotic Applications.
