地址	Vitaprint Research Park Haasrode Romeinse straat 18 B-3001 Heverlee (Leuven) Belgium
国家	比利时

产品/机械

Vitaprint® is a new and unique method for applying a digital print in glass. With the unlimited possibilities of digital print, designers can play with colours, transparency and opacity. Apply Vitaprint as a unique wall decoration (photo and print), stained glass, glass separation wall, sliding doors, tiles or flooring. Vitaprint® is much more scratch resistant than films or coatings because the image is in the glass. Moreover, it is safe and hygienic.

Company Profile of **Vitaprint**

A service of glasssglobal.com, an affiliate of glasssglobal group.
