地址	KCC Keumkang Ltd Munmak Plant 106, Munmakgongdan-gil, Munmak-eup, Wonju-si, Gangwon-do,
国家	韩国

产品/机械

KCC produces and distributes a variety of insulation materials, such as mineral wool, glass wool, and ceramic fibers, which have excellent insulation effects in various construction and industrial facilities.

KCC's insulation materials are non-flammable and do not produce toxic gases in cases of fire since they are made from an inorganic ore. In addition, they are the most sought-after materials in various construction and industrial facilities due to their excellent constructability and economic efficiency. In addition, KCC produces and distributes zip codes and fire masks to ensure fire safety pertaining to the steel structures.

Company Profile of **KCC Keumkang Ltd**
