地址	ROFRA GmbH Ortsstr. 44 98744 Cursdorf
国家	德国

产品/机械

ROFRA turns out approximately 250 million vials a year, doing so with a qualified staff of 50, working in three shifts. The range is increased on average by 5 % each year.

There are four production departments:

Manufacture of primary packaging materials (tubular glass), nominal contents between 6 and 50ml – for the pharmaceutical and food industries

Miniature glass bottle production (for perfume or samples), nominal contents between 1 and 6 ml

Print preparation and printing department

Glass-blowing workshop, where glass apparatus are made for chemical and pharmaceutical use

The installation of state-of-the-art machinery with optoelectronic monitoring has enabled ROFRA to run the production process with high efficiency and rapid reflection of customer wishes.

Company Profile of **ROFRA GmbH**
