Metro Performance Glass is at the forefront of providing high-performance glass and industry-leading service to Australasian residential and commercial construction markets.

We have an extensive network of four processing and sixteen distribution or retail sites across New Zealand. In addition, via our subsidiary Australian Glass Group, we operate two processing and distribution sites in Melbourne and Sydney. We are Australasia's leading manufacturer and installer of double-glazed windows for both new residential and retrofit markets. We also process annealed, toughened, laminated, painted and digitally printed glass products for applications ranging from mirrors, showers, balustrades and kitchen splashbacks to commercial facades. Our goal, in everything we do, is 'Performance without Compromise'.
