产品/机械

Because we constantly place innovation at the heart of our developments, our collaboration methods are diverse, including offering partners turnkey licences.

We are also involved in creating joint-ventures in highly targeted markets, with recognised expert players, in order to offer specific solutions precisely suited for client requirements.

Lastly, we ensure the sale of our components via a network of qualified subcontractors, who can manage manufacture and commercialization.

Company Profile of **Sunpartner Technologies**

A service of glasssglobal.com, an affiliate of glasssglobal group.
