产品/机械

GLASS BULLETIN is the ideal platform, both in the print and digital media, for worldwide exposition of news, reports, products and exhibitions related to the glass industry. It is a one-stop solution for all queries and needs related to glass—machinery and technology, its innovation, product-procession and marketing in India. By its permanent columns, it enjoys the status of highest readership among all Indian glass journals.

产品和背景

GLASS BULLETIN is a publishing company, managed by a highly experienced editorial and administrative staff. It has a dedicated and responsible team for providing quality journals and related services to its readers. The company publishes GLASS BULLETIN which is the fastest growing top-notch journal of India for the global glass industry. It is published quarterly and circulated among glass manufacturers, glass processors, glass-machinery & tool manufacturers, art glass processors, glass dealers, architects, builders, aluminium fabricators, interior decorators and the automobile industry across the globe.
