产品/机械

Manufacturer of Container Glass, Bottles

The glass work in Ujście is located in the Note? Valley, next to "Natur 2000" area. The plant was founded in 1809 and is one of the oldest plants in the Group. The factory produces green bottles with a capacity of 250 – 1000 ml

Ardagh Glass currently has over 500 containers in its product range and the ability to make virtually any colour.

The product range includes contains glass containers for all segments within the food and drink industry as well as containers for the pharmacy industry.

The last 10 years have seen major developments

in the area of lightweighting of glass containers within Ardagh Glass. This has been driven by our continued obsession with Quality, Service and Innovation.

We are very committed to working with our customers to achieve further weight reduction in all product categories. We offer our customers detailed guidance on best in class weights against conventional design as well as highlighting the potential for weight reduction through adopting optimum weight design parameters.
