产品/机械

TWIDE PARAGON manufacture and install framed glazing systems including patent glazing, rooflights, curtain walling, windows, doors and ground floor treatments. The company manufactures the Paragon patent glazing system, the Twide-Lite range of rooflights and the Schuco, Reynaer and Technal aluminium systems.

T & W IDE FIRE PRODUCTS are stockists and suppliers of fire resistant glasses and manufacturers of the Firesecur range of fire resistant screens, doors and glass floors. The company stocks Pilkingtons Pyrostop, Pyrodur and the new Pyrodur Plus range of fire resistant glasses which are available cut to size.

T & W IDE GLAZING supply and install custom made structurally glazed systems, including frameless glass structures using standard, proprietary or purpose made bolted systems. The company also offer toughened glass door and screen assemblies, glass balustrades, glass floors and glass partitions.

The Group offers distribution throughout the UK
