## 产品和背景

Founded in 1825, the **Verrerie Cristallerie d'Arques** – originally a small family business – initially made a name for itself as one of northern France's industrial showcases before emerging over the years as an international group and a **world leader in tableware**. Renamed **Arc International in 2000**, the rise of the company is closely linked to that of a visionary family who, over the years, has contributed its **ambition, values** and stability and who has made **technological innovation** the key factor behind the company's expansion.
